Statement on Presidential Election

FRESNO—Our national nightmare is about to end. Our centuries-long commitment to the American experiment of democracy will continue.

This year Fresno County voters supporting Joe Biden and Kamala Harris for the Democratic Presidential ticket marks for the fourth consecutive presidential election where the majority of voters in Fresno County voted blue!

Now we must focus on the work ahead, of which there much to do, starting with a reversal of the damage that Trumpism has wrought.

We must control the coronavirus, improve and expand healthcare coverage, implement immediate measures to address climate change, initiate a stimulus package to get the economy back on track, rebuild our infrastructure, provide affordable housing, move forward with police reform and push forward comprehensive immigration reform, among many, many other concerns.

Congratulations to President-Elect Joe Biden and Vice President–Elect Kamala Harris. This is a truly historic victory for the American people electing the first woman as well as the first person of color to the Office of Vice President.

And thank you for being a part of this historic win.
