Pat Barr, President 2020 President's Message

At times, most of us have little sense of our talents and strengths. We have a tendency to acknowledge our weaknesses and in some instances hide behind them rather than work with those many talents and strengths.

Yes, everyone of us is wired a bit differently and thank goodness for that, because our Democratic Women's Club, in order to thrive, influence, educate and support needs you all.

It is now early May 2020 and maybe our third month without a General Club Luncheon, we have forever had our Club Officers nominated and elected during this month. We have two members, who, have acknowledged their talents and have committed to Auditor and one Directorship, but that is the count so far.

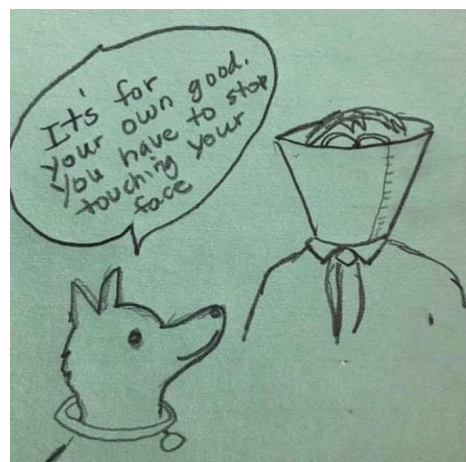

We have scheduled a conference call Executive Board meeting for May 11th, and I am sure that the subject of the Club's Officer Election will be on the meeting Agenda among many other items, such as the Gay Pride Parade, Ramada Inn contract, Eleanor Roosevelt Fund-

raiser and Manning Scholarship.

If any of you have discussion subjects for the Executive Board or wish to nominate yourself for a Club Office, please contact me at 559-905-1836 or patbarr37@gmail.com by May 10, Mother's Day.

Hope this finds you all safe, well and not 100% board!.

President, Pat Barr

Ideas To Think About

In the last Sunday Fresno Bee issue, **On Ethics** by Andrew Fiala had some thought producing ideas. Reading through the article brought up many ideas about California, should we succeed USA and become a nation. Would we be a United California. California is as divided as our nation is.

President Lincoln led a war to restore the Union. A Union, if we want it, is up to us. Community is a bottom-up affair. What about FCDWC are we a community organization? What happens if we dissolve? Can we keep it together and alive in our Community?
