### **LEADERSHIP FRESNO NOW ACCEPTING APPLICATIONS FOR CLASS 36**

**Fresno, CA** – Applications for Fresno’s most elite Leadership experience, [Leadership Fresno](#), are now being accepted for Class 36. For over three decades, the program has been a proven outlet for local leaders to come together to learn more about their city, network with other like-minded individuals and work together to improve their surroundings. Each year, there is a competitive process undertaken by community members to attain a spot among some of Fresno’s finest as a class member.

The program begins in August with a two-day retreat and concludes with graduation in May. Participants meet in day-long seminars, one weekday per month, and also participate in a class project that will impact the community. The sessions include tours throughout the county and discussions with key speakers on a variety of current topics.

Applications for Class 36 are being accepted through May 17, 2019. To apply, please visit: [fresnochamber.com/online-application](http://fresnochamber.com/online-application).
